PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

R e a d:-

Correspondence ending with letter No.197 dated 19th November 1938 from the Durbar Surgeon and Medical Officer Krishnarajendra Hospital Mysore recommending the grant of special leave to Medical Officers who handle radium or are exposed to radium otherwise.

2. Un-official Note No.Dis A 150 dated 30th November 1938 from the Senior Surgeon on the above subject.

****

O R D E R No. G. 6522-4/Med 107-38-8

Dated Bangalore the ~~29th December 1938~~ 5th Jany 1939.

The Durbar Surgeon and Medical Officer Krishnarajendra Hospital states that Medical Officers who constantly handle radium or are exposed to radium otherwise do so at a considerable risk to their personal health and recommends that they should be given special leave on the lines in vogue in radium institutes. He suggests that they may be given special leave for 15 days for every half year apart from privilege and other leave which they get under the Mysore Service Regulations.

Government are pleased to approve of the above proposal subject to the following conditions:-

1. The special leave will be granted only to the officer who handles radium and not to others in the Department and the names of such officer or officers will be specified beforehand to prevent administrative inconvenience by numerous claims.

2. The leave should be granted once in every half year for periods of not less than 15 days and the interval between two such periods of special leave should not be less than 6 months.

3. The leave should be made compulsory and not optional as it is intended to be a protective measure in the interest of efficiency.

4. The special leave should not be allowed to be accumulated.
